

Wave-Finder Australia (3rd Edition)

The ultimate surfer's tool.

Wave-Finder Australia, the double best-selling Australian surf guide, is now in full colour for a brand new third edition. The same world champion authors are back with a fully revised guide packed with even more detail on hundreds of Australia's best spots. Instead of using acres of text, beaches have been distilled into miniature maps. The result: every decent spot in Australia condensed into a handy pocket-sized guide.

1000 waves, 462 maps, 70 colour photos.

Wave-Finder Australia features over 450 maps and 1000 breaks, covering the farthest flung corners of Australia, in a total of 320 pages. Plus now there are amazing full-colour photos to drool over, and vivid colour mapping to make it even easier to home in on the perfect spot.

"If you can't get barrelled with this you are beyond help." - Tracks.

Champion authors.

The incredibly experienced editorial team includes Pipeline Master Larry Blair, 1999 World Masters Champion Cheyne Horan, and a team of over 100 contributors including longboard legend Wayne Deane, 1990 world champ Pam Burridge, Luke Short, Geoff McCoy and more.

Incredible photography.

Stunning full-colour photography comes from a team of the world's best surfing photographers, including: Hilton Dawe, Tim McKenna, Sean Davey, Bill Alexander, Bernie Baker, and more.

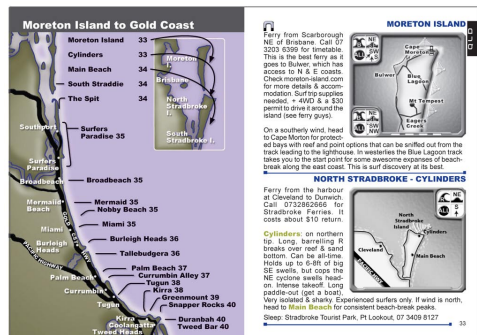

"The best beach guide on the market." - The Australian.

Over 1000 surf spots.

462 unique Surfer's Eye™ Maps give you an instant view of the setup of every spot. The Wave Data icons show ocean floor and wave direction, as well as optimal swell, tide and wind conditions. Experts complete the picture with in-depth text reviews and directions.

Pocket-sized format.

At only 12 x 8.5 cm Wave-Finder fits easily in a car door pocket or glove-box, backpack - anywhere. Colour area maps help you zoom in on the perfect surfspot for your mood or level.
