

Wave-Finder Indonesia (1st Edition)

The ultimate surfer's tool.

Wave-Finder Indonesia is a comprehensive 288 page surfing guide to one of the world's best surfing zones. Featuring over 200 maps, 100 colour photos and 200 surf spots, it is easily the most comprehensive, in-depth surf resource for Indonesia and Bali.

Going to Indo without it would be madness!

With detailed surf info for breaks stretching from Timor to far north Sumatra, and Surfer's Eye™ Maps and in-depth reviews for each spot, you can't fail to score! Every decent spot in Indo is condensed into this handy 8.5 x 12 cm pocket-sized guide. Plus now there are amazing full-colour photos to drool over, and vivid colour mapping to make it even easier to home in on the perfect spot.

"If you can't get barrelled with this you are beyond help." - Tracks.

Champion authors.

Authors Pipe Master Larry Blair and veteran Indo traveller Jeremy Goring are joined by a crack team of Indo specialist contributors. The Indo edition includes a surf trip planner featuring unique places to stay right on the surf, a yacht charter matrix, surf travel essentials and concise insider's info to help you optimize your trip.

Incredible photography.

Over 100 amazing colour photographs by top snappers: Hilton, Tim McKenna, Sean Davey, John Hepler, Bernie Baker and Paul Rubies.

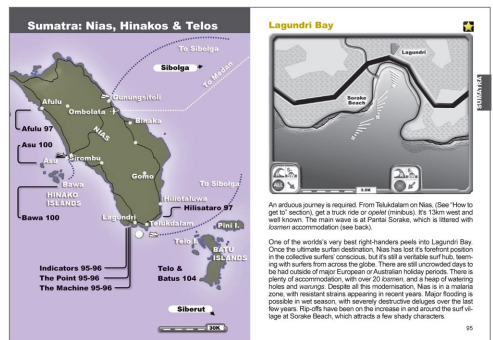

"The best beach guide on the market." - The Australian.

More detail, less text.

200 unique Surfer's Eye™ Maps give an instant view of the setup of every spot. The Wave Data icons show ocean floor and wave direction, as well as optimal swell, tide and wind conditions. Experts complete the picture with in-depth text reviews and directions.

Pocket-sized format.

At only 12 x 8.5 cm Wave-Finder fits easily in a car door pocket or glove-box, backpack - anywhere. Colour area maps help you zoom in on the perfect surfspot for your mood or level.
